**I am a health, beauty and skin professional with 30 years of experience. I help people enjoy naturally beautiful, healthy skin that glows whatever stage of life.**

After managing a health studio for several years, I setup my own beauty therapy business, which I ran for 10 years before qualifying as a lecturer, and began teaching in higher education in the north of England.

I now live and work in Shrewsbury. I love meeting people and helping them achieve their beauty and skin care goals. Let's chat through how I can help you, and visit me at my little home salon - Kate's Beauty Box.

Call me on 07974 699405 to arrange a consultation or book a treatment.
